The undersigned Assignee hereby certifies that it is the assignee of the entire right, title, and interest in the patent application identified above by virtue of a chain of title from the inventor of the patent application identified above to the current assignee as shown below:

1. From Scott C. Holt and Robert A. Koch to BellSouth Intellectual Property Corporation, which Assignment was recorded in the Patent and Trademark Office on March 21, 2002 at Reel 012705, Frame 0972.

The document in the chain of title of the patent application identified above has been reviewed and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of the Assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
